Welcome to the 2009 season. Thank you to all who came to the AGM and have volunteered their time already to make this another successful start to the season. All major positions have been filled however the committee would like to encourage all players, parents and supporters to continue to support the Club by helping out from time to time during the season.

PLEASE – Pass this newsletter on to anyone you know who hasn't yet signed on. TEAM numbers are due to the Association within the next week or so and until Clubs do this, the Association cannot confirm Competition details.

Just like most other sports – **CLUB FEES WILL NOW BE DUE IN FULL BEFORE THE FIRST GAME** (unless prior arrangements are made with the Treasurer). Fee structure has not been finalised by the Association however it is anticipated there will be a **nominal or zero fee increase** from last year. There is some discussion at Association level about **payment of all Umpires**, however this has not been set but would involve extra fees for all players – we would like feedback from our umpires, players and parents on this idea.
